**Government Circular No: DIT/File-07/CR 107/39**

Directorate of Information Technology  
General Administration Department  
Mantralaya, Mumbai 400 032

**Date: 31<sup>st</sup> August, 2009**

Vide our Circular No. DIT/File-07/CR 107/39 dated 6<sup>th</sup> April, 2009, DIT has communicated the rates for various types of connectivity available to connect with MSWAN in order to assist you to prepare cost estimates for the purpose of connecting horizontal offices to MSWAN. The rates which have been given as part of the earlier circular dated 6<sup>th</sup> April, 2009 are only for the purpose of cost estimates and making budgetary provisions. The MSWAN operator has been instructed to assist departments/ offices in selecting the appropriate type of connectivity for the respective department. Since the rates mentioned in the Circular No. DIT/File-07/CR 107/39 dated 6<sup>th</sup> April, 2009 are dated and the number of changes in technologies and the cost of product have happened which potentially could result in availability of better product at a lesser cost, the DIT has now floated a separate rate contract tender for the departments and will soon finalise the rate contract. Accordingly, the departments are advised to use rates and the information given in the circular dated 6<sup>th</sup> April, 2009 only for the purpose of estimating the cost of horizontal connectivity and making budgetary provision for the same. It is clarified that these rates are not to be used for the procurement of equipment. The rate contract, once finalized, will be issued to all the departments for placing orders for procuring the equipment for connecting to MSWAN.
